The Emmaus generally sees around 160 people per year pass through the shelter, and they serve around 540 families a month at the food pantry.

The Emmaus Mission staff provide residents with shelter, food, and clothing. They have seven such rooms, six of which are located on the second floor and one located at ground level to allow them to house those clients who have limitations on their mobility and are unable to climb stairs. They provide shelter for men, women and children and are one of the few shelters in our region that are able to house families in such a way. Residents at the shelter are provided breakfast, lunch and dinner each day in the kitchen area. The support of our local community is a vital part of their organization. Without the assistance of benevolent individuals it would be difficult to meet the needs of those they serve.

For every 3 items or \$5 donation, you will be entered to WIN 2 BICYCLES! Drawing July 26, 2019
